

**SCHOOL ADMINISTRATIVE UNIT #64  
MILTON SCHOOL DISTRICT  
BOARD MEETING  
Friday, October 11, 2013**

*Public Minutes*

Chair Ann Walsh called the meeting to order at 10:03AM. Present were board members Doug Shute, Luella Snyder, and Donna Marie Currier.

The assembly saluted the flag.

Luella Snyder moved, second by Donna Marie Currier, to seal the nonpublic minutes of October 9, 2013 for the following reasons: a future board decision may be rendered ineffective. All were in favor and the motion passed.

Doug Shute withdrew his motion from the previous meeting regarding a master contract item that the board discussed in nonpublic session. Luella Snyder withdrew her second.

Doug Shute asked about the trees being cut by the Damon House. He is concerned that projects are being done without the board being aware of them. He would like the board to be kept informed.

Luella Snyder stated that she feels the board should give some direction to administration regarding the budget process.

Doug Shute moved, second by Donna Marie Currier, to adjourn the meeting at 10:16AM. All were in favor and the motion passed.

Respectfully submitted,

Ann Walsh  
Board Chair
